WELCOME TO THE 2006 INDIANA STATE FAIR!

It's time once again for one of Indiana's greatest traditions: the Indiana State Fair. This is also a special year as the fair honors the best that Indiana has to offer for the 150th time, and I'm pleased you've decided to join us for what is sure to be the best Indiana State Fair ever.

Indiana has always been one of America's leading agricultural states and the State Fair showcases its grand traditions. So while you're enjoying the animals, competitions, music and midway, please take a moment to appreciate the new fishing pond and amphitheater behind the Natural Resources building. Also, take some time to reflect on how far we've come at the special State Fair history display in the Old National Bank Grand Hall. I hope you will also be able to join my wife Cheri as she again leads the Heartland Walk for Health on August 19.

Thank you for all you do in making Indiana a great place to call home, and thank you for supporting our 150-year-old Indiana State Fair.

Sincerely,

Mitch Daniels
Governor

ARRIVAL/PARKING

Fairgrounds gates open at 6 am. There are several options on how to arrive, but if you're looking for the most convenient, hassle-free way to get to the Fair, you will want to take advantage of...

State Fair Park & Ride

When you park at Glendale Mall's Rural Street lot or the Major Taylor Velodrome on West 38th Street and Cold Spring Road, you can catch the IndyGo shuttle for \$2 per person (kids 5 and younger are free). The Glendale shuttle runs every 20 minutes from 10 am to 11 pm each day of the Fair; the Velodrome shuttle runs every 30 minutes from 10 am to 11 pm Friday through Sunday.

Other options...

Free Parking is available on a first-come, first-served basis in the Fairgrounds' infield, Indiana School for the Deaf on 42nd Street and on 46th Street north of the School for the Deaf (shuttle service to Fair entrance included).

State Fair E-Z Park lots are \$5 and located south of 38th Street across from the Main Gate and at Fall Creek Parkway and Keystone Avenue (shuttle service to Fair entrance included). Accessible parking for persons with disabilities can be found just inside Gates 6 and 1-A.

Pedal & Park Get \$1 off Fair admission when you bike to the State Fair and use one of the secured bike racks available on the Monon Trail at 38th Street from 9 am to 8 pm.

For up-to-the minute State Fair traffic information, tune in to WIBC 1070-AM, the State Fair's official traffic information station.

ENJOY THE FAIR... WASH YOUR HANDS!

One of the best parts of the Indiana State Fair is getting close to all the different animals. The safest way to enjoy the animals is to make sure to wash your hands after each time you have contact with any of them. This is especially true for young children.

As you stroll around the fairgrounds, you will notice dozens of hand-sanitizing stations and restrooms.

We have four prominent hand-washing stations in various areas

(see box below). All of these amenities

are there for your convenience and we hope

you will take advantage of them, especially

if you are preparing to enjoy some of your

favorite Fair foods. In fact, you should

make sure to clean with soap and hot water before you eat.

Be smart, stay healthy. Pet the animals, then WASH YOUR HANDS! It's the best way to enjoy your Great Indiana State Fair.

The Indiana State Fair has four hot-water hand-washing stations around the grounds for your convenience. You can find them in these locations:

- Biofuels Main Street
(in front of the Pepsi Coliseum)
- Dickies FFA Pavilion (petting zoo)
- Indiana State Fair Goat Mountain (next to DNR building)
- Pfizer Fun Park

THINGS TO SEE AND DO

Animals on Display

You can't go too far around the Fair without seeing animals of all shapes, sizes, scents and sounds. Known as one of the great agricultural fairs in North America, the Indiana State Fair has all the typical farm animals you could hope to see. From little baby chicks and rabbits on display daily in the Poultry & Rabbit Barn or the Miniature Horses located outside the Young Farmer Building across from Indiana State Fair Goat Mountain to the huge Draft Horses in the Champions Pavilion, animals are everywhere! This year, in addition to chickens, rabbits, horses, and goats, you can also see tigers and elephants as part of the International Circus Hall of Fame at the Pfizer Fun Park.

Ball State Ag/Hort Building

This is where you will find top open class agriculture and horticulture exhibits as well as the winners of the wine and beer competitions. Located in the center of the building is the "Ball State Backyard." Created by the Ball State University Department of Landscape Architecture, this display features unique backyard elements and a stage that features student sculptures and other works. You can also

learn how to improve your own garden by viewing the floral exhibits and regular demonstrations.

Biofuels Main Street

Want to see all kinds of walking entertainment and get the full flavor of the Fair?

One stroll down Biofuels Main Street ought to do it. The Daily Parade rolls down this historic avenue every day at 6:30 p.m. and

continues around to the Farm Bureau Building. Other feature events include the World's Largest Drive-thru Breakfast (Aug. 11), Indiana State Fair Old-fashioned Pancake Breakfast (Aug. 16) and the Indiana State Fair Open Car Show (Aug. 20).

Center for Agricultural Science & Heritage (CASH)

Also known as "The Barn," the green-shingled Normandy barn located on the south side of 38th Street across from the main gate houses a variety of agriculture-related displays.

Clarian Dance for Health Stage

Do you like to clog, two-step, square dance, line dance or tap dance? Do you like to watch others who do? Then this is the place for you. Located east of the Communications Building near Gate 6, the Clarian Dance for Health Stage is always abuzz with activity.

Clarian Health Home & Family Arts Building

Cooking and fashions are just two of the many things you'll discover here. You can treat your taste buds with daily culinary demonstrations and pick up other pointers during daily demonstrations in needle art, china painting, woodcarving and leathercrafting. On the third floor, you can see "Painting Indiana II: The Changing Face of Agriculture." This collection of 40 paintings is a collaborative effort of The Barn and the Indiana Plein Air Painters Association and offers vivid scenes of Indiana agriculture by Hoosier artists. Also, you can purchase select artwork on display elsewhere in the building, identifiable with a special tag (all purchase can be picked up at the end of the fair). Visit the past by viewing the antiques on the main floor or peak your literary interest in The Book Nook. Young Hoosier Pianists entertain daily in the Fine Arts Gallery and have their contest finals on August 19 in the Third Floor Auditorium.

Dickies FFA Pavilion

Indiana FFA offers entertaining and interactive family activities in the Dickies FFA Pavilion. Come pet the farm animals in the Children's Barnyard, go fishing for prizes, or play a free round of miniature golf. You can also visit the FFA Agricultural Express, a miniature train exhibit showcasing the various aspects of Indiana agriculture. Stroll through the beautiful Country Market offering many Hoosier-produced goods such as soybean candles, homemade candies, Amish noodles and homemade caramel corn. You can also learn about the food, fiber and natural resources industries through interactive student demonstrations and programs held throughout the day.

Exposition Hall

Enjoy exciting new products and great demonstrations from Indiana's premier companies proudly displayed in the "Made in Indiana" area. The Higher Education booth offers information on colleges, careers and financial aid. In addition to all Indiana public and private colleges, the Indiana Career and Postsecondary Advancement Center (ICPAC) will be on hand to help answer all your career and education questions. You can also meet Hoosier authors at Cardinal Publishers Group's Indiana Author's Showcase and get official state travel publications at the Indiana Tourism Booth.

4-H Exhibit Hall & Centennial Hall

The state's finest 4-H exhibits, contests and demonstrations are now displayed in these recently renovated, air-conditioned buildings. You can experience a variety of activities in the Youth Interactive Learning Stations that include cooking, science, computers, woodworking, and television production. If interested in learning more about 4-H, please contact your local county extension educator or call 1-888-EXT-INFO.

Farm Bureau Building

Youth, food and fun are the focus with youth talent contests, a karate tournament, baton twirling and the 4-H Cat Show all taking place here. This is also where you'll find "A Taste from Indiana Farms" Aug. 15–17, so bring the kids and an appetite!

Farm Bureau Insurance Celebration Park

Looking for a great place to sit down, spread out and take a break? With plenty of green space and a convenient ledge framing the center of this area, this is it! This is also where you can take in the one-of-a-kind "Cast in Bronze" carillon Aug. 16 – 20 and a wide variety of great music on the WFMS Free Stage.

Governor Daniels' Sports Spot presented by Novartis BP Success Zone

Located just east of the Dickies FFA Pavilion, this area will have sports of all sorts. Visitors can check out exhibits and demonstrations from dance teams, the WNBA, Indiana Ice, and more.

Healthy Lifestyles Pavilion

This building is full of information and exhibits for "experienced" Hoosiers looking to lead a healthier, more active life. Shuttle passes for seniors (55+) can be purchased for \$1.50 and are good for unlimited rides for that day. Passes are free for seniors on Seniors' Day, August 17.

Hook's Museum & Soda Fountain

Venture back to simpler times with delicious hand-mixed sodas and ice cream treats from a vintage 1875 soda fountain (available daily 9 a.m. to 9 p.m.). You will find a variety of first-aid and convenience items in the museum's gift shop, which also carries old-fashioned candy, Victorian era reproductions and souvenirs. The museum's staff and volunteers offer insights on the vast array of historical pharmacy-related items on display at the museum.

Indiana State Fair Goat Mountain

If you like goats, you'll love the Indiana State Fair Goat Mountain located just east of the DNR Building. This exhibit features various breeds of goats in a grassy habitat, complete with Indiana limestone boulders to climb on and a lean-to for shade.

Indiana Young Farmers Association

Interactive exhibits and displays assist visitors to develop an appreciation for, and understanding of, the diverse agriculture industry. Enjoy the large waterfall, children's play area, tractor and combine simulators, landscaping ideas and safety awareness displays.

Little Hands on the Farm presented by College Choice 529 Investment Plan

Located in the Pfizer Fun Park, Little Hands on the Farm presented by College Choice 529 Investment Plan is a great way for children to realize how hard work and fun go hand-in-hand on a farm. They can perform all kinds of farm-related tasks and see first-hand the fruits (or vegetables) of their labor. This is a nationally recognized program that has been reproduced by other fairs around the country because of its fun and educational format for children and adults. Open daily 10 a.m. to 7 p.m.

Livestock Nursery presented by Toyota

Ever see a cow give birth? Here, you can! You can also try your hand at milking a cow and learn about all kinds of dairy and agricultural products. Located near the Communications Building, free Barn Tours™ are available from 10:30 a.m. to 5:30 p.m.

Machinery Field

From tractors to garden rakes, there are bargains galore at Machinery Field! There are also daily barn raisings at 10 a.m. and 2 p.m. at the Reynolds Farm Equipment Booth.

Natural Resources Building

The brand new 312,000-gallon DNR Fishin' Pond and 150-seat Amphitheater presented by Veolia Water highlights this outdoorsman's paradise where kids can learn to fish and everyone can enjoy programs featuring snakes, owls, raptors and

a variety of other wildlife. In addition to the Fishin' Pond and Amphitheater behind the building, there's a new butterfly garden in front of the building featuring native Indiana butterflies. Enjoy the "Taste of the Wild" cookout August 12 and join a trolley tour of the historical Fairgrounds buildings departing from here nightly at 6:30. Need outdoor gear and apparel? Shop at Mother Nature's Mercantile where you can select among hundreds of items.

Old National Bank Grand Hall

Journey through 150 years of Indiana State Fair memorabilia at a special exhibit located here. You can also enjoy the 20th Century Headline exhibit that chronicles national events throughout the 1900s. This is also where you'll find the eXcel Awards by Indiana Farm Bureau Insurance featuring artistic exhibits and demonstrations by Indiana teens.

150th Birthday Cake Gazebo Gift Shop presented by WFMS

Take a once-in-a-lifetime photo in front of this gigantic pink symbol of the Fair's sesquicentennial. Then, go inside to get your copy of "The Great Indiana State Fair at 150...a pictorial celebration" and other Indiana State Fair souvenirs.

Pathway to Water Quality

Walk the pathway as it winds through the watershed – all the land that "sheds" rainwater to a common place. Tour the land-use regions that show how we use the land and care for our natural resources. Kids will discover nature's water recycling secrets at the Blue Traveler. Enjoy a drink of cool, clear water at the "Pathway" daily from 9 a.m. to 9 p.m.

Pfizer Fun Park

Fun and entertainment are constant in this smoke-free family play area. In addition to the popular Little Hands on the Farm presented by College Choice 529 Investment Plan exhibit, you will also find here the International Circus Hall of Fame from Peru, Ind., (with daily elephant rides for \$5); Comcast presents Sea Lion Splash; Easy Ride 'em Ponies pony rides (\$3); Super Stock Racers (\$5/ride); and the Indiana State

Pfizer Fun Park - Continued

Fair Junior and Senior Explorers' Clubs presented by the Indianapolis Private Industry Council. Look for special appearances by Dora the Explorer (8/14), Strawberry Shortcake (8/15), and Raphael the Teenage Mutant Ninja Turtle (8/16) in the "Cartoon Corral." The Indiana Young Farmers pedal tractor pulls take place August 12, 13 and 19 near the picnic shelter. You can also take part in the daily John Deere pedal tractor raffle, courtesy of R.E. Smith. Just pick-up your raffle ticket at Little Hands on the Farm presented by College Choice 529 Investment Plan and then stop by the International Circus Hall of Fame at 3:30 to see if you've won (must be present to win).

Pioneer Hi-Bred Our Land Pavilion

Explore Indiana's number one industry – agriculture – by visiting this State Fair showcase. You can test your knowledge and win prizes with interactive displays from Purdue University, the Indiana Department of

Agriculture and Indiana's agriculture commodity exhibitors. Check out the live animal demonstrations, Roach Hill Downs and Red Gold Stage presentations.

Pioneer Village

Traditional rural America is what this area is all about. Kids of all ages will love the exciting scream of the old steam engine, the musty smell of the sawdust hot off the saw and the majestic sound of the 1912 Red River threshing machine pouring out nutritious wheat fresh from the field. You can also get some wonderful maple syrup, watch the ladies make magnificent quilts and soak up some of that great "Music of America."

Speed Barns

This is your chance to see some of the fastest harness racers in Indiana. Dan Patch, Her Ladyship and Single G have all raced around the famed one-mile "Track of Champions." Now you can see the barns that some of these great racers called home. Tours are from 11 a.m. to 5 p.m.

State Fair Gardens

Enjoy the beauty of the 17,000 square foot, landscaped area immediately north of the Agriculture/Horticulture Building. Two entry plazas provide access to a wide variety of plant life surrounding demonstration areas, a fountain and walking paths. The Angie's List Resource Center features expert presentations on landscaping and outdoor home improvements.
